GCSE Options Evening

Friday 14 November 2025

GODOLPHIN

We are delighted to welcome you this evening. Please do take the opportunity to talk to our staff, and find out more about our courses and our outstanding co-curricular provision and support.

5.30 pm – Options Presentation – PAC

6.00pm – Subject Fair – Main Hall

You are invited to visit the locations listed in this programme to discover more about studying a range of subjects. Our expert teaching staff will be on hand to discuss each subject and to answer any questions you may have. There are no set times for these discussions so as to allow you the time to visit as many subjects as you like for as long as you need. If you need more time beyond this evening to extend your discussions with the teaching staff, please do email them to arrange this.

Throughout the evening key staff, and refreshments, will be available in the Main Hall or specific subject classrooms for further questions.
